## Adventure game

### Level 1

Looking for Domino: cross the bridge, head out of the village, then cross to the dirt road

on your right that heads off between the trees. Look out for a piece of treasure floating in the air.

Looking for la mère Frelon: Cross the bridge and follow the road straight out of the village to the house in the distance by the woods. Go up to the woodcutter. He'll tell you where to find la mère Frelon.

### Level 2

Looking for Barbe Grise: take the main road out of town on the castle side of the river

and look for a gold chain floating in the air above it.

Getting into the castle: go up to the castle gates.

Solving the riddle: There are seven windows in the castle.

### Level 3

Inside the castle, looking for the prisoner: look first for the caged dungeon behind a bush

in the castle courtyard.

Then go back in through the door and down into the cellars. There you need to find your

way through the maze till you reach the bottom of another staircase. Go up this.

### Level 4

Where did Barbe Grise say the treasure was at the end of level 3? 'Sous le pont'.

Find

your way to this!
